Dear Sir -

I understand that you are the proper person for me to apply to - for information as to the value of an American 10¢. piece of the year 1853. Also that you can advise me as to where I can see such a piece -

I shall be very grateful if you will do so -

Thanking you in advance

Sincerely
(Miss) Elizabeth Whiting.

Dear Madam:

Your note of October 3rd is at hand. The dime of 1853 had more than twelve million specimens struck, and none of the varieties are listed as rare in Guttag's premium list. We have specimens here which we would be glad to have you examine if you care to do so.

Yours very truly,

THE AMERICAN NUMISMATIC SOCIETY

Secretary.
